7pm Mass, Monday – Friday, "Public and Livestream" for a trial period

Ever since lockdown began, Fr Mark and the other priests have ensured that we have a 7pm mass available on livestream, every Monday-Friday. For a trial period, we are opening the doors for this mass so that people can join us in person, without having to book. We are not expecting big numbers so we will have to ask people to sign themselves in and to be responsible for cleaning any seats, etc. with which they may have come into contact. Please join us if you're able. **This week only, the mass on Friday 30th will not be open to the public, because of the Parish meeting afterwards: we are asking people to attend it from home and then join the meeting.**
